Public Comment

Charlie Williams stated he called PennDot who referred him to the State Police regarding the abandoned trailer on 339 by the township. The State Police told him that if it is abandoned on the road in the township, the township can take care of it. Jack Pollard stated that the license expired in 2013 and is registered to Mr. Hoover from Thompson Town in Juanita County. The vehicle has been abandoned for a few years. Mr. Turowski will look at our parking ordinance to see the township can cite Mr. Hoover.

Charlie also thanked the township for putting the minutes on the webpage.

Mr. Bodman asked what the status of the zoning ordinance is. Mr. Turowski stated that the final draft version was sent to the to the county on June 20th for their final review. The county has 45 days and then another public meeting will be held to adopt it and the final version will be put on the township's webpage.

Old Business**Zoning Ordinance/Map Changes**

Bobby stated this issue was discussed earlier.

Chairlift Agreement

The township received the Subrecipient Agreement which is between Main Township and the Columbia County Redevelopment Authority for the block grant for the chair lift to sign. Since Mr. Turowski has not reviewed the agreement, the supervisors will hold off signing until Mr. Turowski has a chance to review it.

New Business**Shingle Clean Up**

Bobby stated that someone dumped a pile of shingles into Fisher Run Road creek and the township had to get DEP involved since it is a fresh water stream. The guys just got the shingles cleaned up this past Saturday morning. DEP would have paid for the disposal of the shingles, but the township would have to take the shingles to Allenwood which would cost more than having Michael's Disposal take them, so Michael's Disposal took care of the disposal.

Sewage Officer Report

Lisa stated no report was received for the month.

Zoning/Construction Report

No permits were issued in June.

Receive a zoning and construction application for Nathan Shelhamer for private office which is on hold until the holding tank and construction fee is paid.

Went to River Island with DEP and the land owner to tour the islands. DEP will issue a violation notice and he was told he must comply with the township's zoning first. He was found guilty for failure to obtain permits for the floodplain, no fine was levied, he just paid court costs of \$152.25.

Scot Bilter, 829 E. Hillcrest Road, found guilty of not getting a zoning permit for deck and ramp, no fine levied, paid court costs of \$152.25 and letter sent that he still needs to get a zoning permit.

Browns Landscaping, filed a violation with the magistrate for no UCC permit for the deck and ramp at 829 E. Hillcrest, however, they have requested a hearing, which has not been scheduled yet.

Norman Gillmeister, filed a violation for now mowing grass at 370 Scenic Ave.

John and Mylin – 10 vehicles now on their property in various state of disrepair. A notice was sent to them on January 20, 2018 when they only had 5-6 vehicles stating they were violating Ordinance #1 of 2014 and Ordinance #5 of 2016 and they told Larry they would be cleaned up by spring but felt that since they had a business of selling the parts, it was allowed per the ordinances. Larry received a call from their attorney who is going to review the ordinances.

Bob Baylor made a motion to approve the Sewage Officer and Zoning/Construction Reports; Bob Frey seconded the motion.
