The supervisors explained no mirror could be installed since PennDot will not allow one and it is also a liability issue. She also asked if the hedgerow can be trimmed back on Mainville Drive going down the hill towards the intersection. Bob stated that it will be looked into.

needs to send a letter to the county stating buffer yard is not needed and hopefully they will issue the land use permit by the end of November.

Other

Charlie Williams asked if the township is still taking care of the Slusser property on Main-Mifflin. Randy stated that an individual is trying to purchase it and he has been mowing and cleaning the property. Randy stated the township has a lien placed so when a purchase does happen the township will get its money back.

Randy stated that the township received a resignation letter from Carolyn Baylor that she will no longer be cleaning the building, so the position is open if anyone is interested.

Bob Edwards asked if the portable toilet will be staying; Randy stated yes.

With no further business to discuss, Pam made a motion to adjourn the meeting at 7:19 pm; Bob seconded the motion.

Respectfully submitted,

Pamela Slusser,
